

Character's Bio

Name: Savin

Gender: Male

Age: 16

Height: 5'6

Eye Color: Blue

Physical Attributes: Scrawny, Pale White Skin, Short Brown Hair, Often Wears a Dorky Graphic Tee, Jeans, and Sneakers. Fairly athletic, but also quite lazy.

Alternate Attributes: Wears a painfully generic superhero costume (mask on eyes, logo on shirt, cape, boots, leggings, etc.), becomes exponentially faster and stronger, and is much better at not being a full-on klutz.

Personality: Huge nerd, kind-hearted, selfless, studious, clumsy, messy, stubborn, awkward upbeat, determined, hard-working, friendly, approachable, level-headed, witty, intelligent, a good leader.

Likes: Making Blueprints for Inventions he'll never actually make (unless...), video games, one-upping his twin sister (very uncommon), reading about scientific studies and chatting on online science forums, sleeping, running, fighting for justice,

Dislikes: Being the younger twin, rainy days, being outwitted, talking to new people, his evil interdimensional doppelganger, alarm clocks, heights, explaining things he deems as simple to others, ice skating, injustice, killing (even when necessary), most mainstream music artists,

Strengths: Great leadership skills, persistent, would do anything to prevent others from harm, very intellectual, incredibly fast, compassionate, incredibly resourceful, looks out for those he cares about, and is good support emotionally.

Weaknesses: Fear of heights, stubbornness, struggles to take things seriously at times, acts smarter than everyone else, acts petty when he doesn't get his way (grows out of this one eventually), lets insults get to his head, gets emotionally overwhelmed easily, is slow to learn about powers/capabilities, frail.

Either: Pacifistic, has devastating potential, very forgiving, willing to trust others easily.
